Throughout the centuries there has been an intense interest towards the relationship between fact and myth. Myth is a dynamic factor everywhere in human society, it transcends time, uniting the past (traditional modes of belief); with the present (current values) and reaching toward the future (spiritual and cultural aspirations). Fact deals with the study of nature, its forces and the process of nature. It is based on the analysis of evidence. It assumes a working hypothesis, the process and events happened due to natural causes, no through divine intervention. It rarely intrudes in matters of morality, the existence and nature of deity, spirituality etc. Secret Societies which are present in the novels of Dan Brown are: i) Rosicrucians, ii) Freemasonry, and iii) Illuminati.

In the novel of *Angels and Demons* Rosicrucian Order AMORC (Ancient Mystical Order Rosae Crucis) gives threaten to the Catholic Church that the Vatican City will consumed by the light. Church believes that Rosicrucians are following witch activities called as fallen angels. In the novel, antagonist killed the 'Fathers' who are next to Pope in the Churches of Fallen Angels. They created a Masonic lodge for their meeting. In nineteenth century famous persons in banking networks and government bodies were mostly Mason.

...a fleeing government many of whose leaders were Masons – George Washington, Ben Franklin – honest, god fearing men who were unaware of the Illuminati stronghold on the Masons. - *Angels and Demons* (p.57)

Freemasons are the well knowledge persons spread all over the world in all higher fields to establish their power over the world. They spread their lodges in all the countries, and they used secret codes like symbols to communicate and to spread their beliefs. All-Seeing Eye is also used as a symbol for Illuminati. Illuminati is considered as one of the Strongest secret society in the world. There is a belief that still Illuminaries are working in underground world secretly to conquer the whole world under their control. Illuminaries spread their member all over the world. National Geographic News decoded the myths in *Angels and Demons* in the year 2009 which was done by Biran Handwerk, they had an interview with a Mason Tabbert, he states that there is no message in the Street of Washington and the street plan was designed by a French man Pierre-L'Enfant and he is not a Mason.

George Washington Masonic Memorial was constructed by George Washington Memorial Association in the year 1932. It is owned by Alexandria Washington Lodge, the lodge was destroyed by several fires, many historic items in the lodge also destroyed. In 1907, Alexandria Commissioner of Revenue, Charles H. Callahan proposed to construct the memorial building for George Washington. The Memorial building is in Neo-Classical style which has nine floors. In 1948 President Turman donates The Great Seal of United States to the George Washington Masonic Memorial hall later, it was removed in 1990.

When America became a new Nation, they formed the committee to design the seal. The committee members were Benjamin Franklin, John Adams, and Thomas Jefferson but their design was rejected on May 10, 1780. Later, Charles Thomas the secretary of Congress and William Barton, a citizen of Philadelphia proposed a design in 1782, and finally it got adopted. An article Third Great Seal Committee by Mac Arthur and John D, which was published on May 1782, says:

Barton used a Pyramid of thirteen steps, with the radiant Eye of providence overhead, and used the Mottos Deo Favente (with God favouring) and perennis everlasting. – greatseal.com

In Christianity the eye symbolizes the Eye of the Christian God, who watching over mankind and the triangle symbolizes the Christian trinity. During eighteenth century the symbol of All-Seeing Eye appears in coins, logos, altar decorations, clothes, one dollar bill etc. It is consider as one of the major symbol of Freemasons and Illuminati.

In the novel *Angels and Demons* the protagonist Robert Langdon states that the word Illuminati is an ambigram which means enlightened ones. It is the name of the ancient brotherhood, The Catholic Church refused the discoveries of Galileo Galilei for his claims that the Earth revolves around the Sun. The Church severely punished him and his books were burned by the Church. He was house arrest till his death. The Caaholic Church violently punished the members of the Illuminati and also they tortured them, they sealed cross Symbol on their bodies and threw them in the streets of Rome as a warning to the other Illuminatics. The Catholic Church name them as Shaitan, it is a Arabic Islamic Word which derived from the English word Satan.. During the house arrest Galileo has written three books they are; i) *Dialogo*, ii) *Discorsi*, iii) *Diagramma Della Verita*

In the book of *Diagramma* Galilio has written about the earth revolves around the sun, with the help of his friend this book got published in Holland. Later, the church haunted the book and they burned it. Many secret books, cryptic writings were burned by the Catholic Church. Not only Galilio, the Italian Sculptor Gian Lorenzo Bernini also Illuminati. Langdon says that the design of the Illuminati was done by Bernini.

Bernini was an Illuminatus

Bernini designed the Illuminati Ambigram

Bernini laid out the path of Illumination – *Angels and Demons* (319)

The Illuminatics were the people who receive great knowledge and light. Illuminati wants to take control in all aspects in the World such as in Churches, government, business, medicine, military scientific etc...Their main aim is to rule the world by their worldwide organization.

The name Illuminati is given to several groups. It is formed in the year 1776 by Adam Weishaupt (1748 – 1830). The name Illuminati refers historicalluy as Bavarian Illuminati. Weishpaunt was a scholar and he was tortured by the church so he became rebellious and created a society against church called 'Order of the Perfectabilities'. Their main aim was to oppose the order of the church, so they formed a society called Bavarian Illuminati. The Illuminati was an Enlightenment-era Society. As per the novel Galileo and Bernini belongs to the secret society called Illuminati. They lived during sixteenth century but the society formed eighteenth century.

In the novel author mentioned that Galileo has written three books called *Dialogo*, *Discorso* and *Diagramma* but there is no such book called *Diagramma*. The author states that the book *Diagramma* was secretly published in Holland by his friend. Obviously, one of the book of Galilio was published in Holland but the name of the book is not *Diagramma*, it is called *Discourses and Mathematical Demonstrations Relating to Two New Sciences* (*Discorsi e Dimostrazioni Matematiche, intorno a due nuove scienze*). Galileo was not arrested for the reason he belongs to the secret society. Galileo had a conflict with the church for his view of the earth revolves around the sun. Church believes that his view opposed Biblical references.

1 CRONICLES: Fear before him, all the earth : the world also shall be stable, that it be not move.16:30 (411)
PSALMS : ...the world is stablished, that is cannot be moved.93:1 (561); the world also shall be established that it shall not be moved 96:10 (562) ; who laid the foundations of the earth, that ist should not be removed for ever 104:5 (564)

ECCLESIASTES : The Sun also ariseth, and the Sun goeth down, and haseth to his place where he arose. 1:5 (606)

The discovery of Galileo was against the biblical references during that period but Galileo argued with them so he was house arrest till his death. He allowed seeing his visitors at any time. He is not belongs to any secret societies. In eighteenth century the main aim of Illuminati was to oppose religious and superstition influence over the public.

Illuminati were responsible for the French Revolution which happened during the year 1789. The cause for the French Revolution is still debatable among the historians. The outcomes of the French Revolution were radical social change based on the enlightenment principles and liberalism. The enlightenment refers to the Illuminati. The Illuminati act as a social reformist to create awareness and a revolution in the society.

In 1744 Galileo's *Dialogo* removed from the banned books of the church list in twentieth century John Paul II and Pope Pius XII has made an official statement of regret for the way the Church treated Galileo. – Galileo Galilei-History.com

Everyone has a particular view of reality, what they believe is true. Some tend to believe in fact and some tend to believe in myth. Everyone believes in some type of ultimate reality. So, it can be either towards myth or fact. There are important roles for both fact and myth in human life, but there is an ongoing tension between them, for fact is based on logic proof but myth functions where there can be no proof. Myth is not considered as blind or an excuse for our ignorance. It is simply an unsubstantiated belief, but it crosses racial, ethnic, social, lingual and national boundaries. According to the researcher point of view history is considered as 'Half Truth', and also it contains many 'Hidden Messages'.
