About INFES-2019

23rd and 24th Feb 2019

The Eudoxia Research Centre, established by Eudoxia Education Private Limited, Guwahati, India is organizing the 'International Conference on New Frontiers in Engineering, Science, Law, Management, Humanities and Social Sciences 2019' "INFES-2019" on 23rd and 24th February 2019 in Gauhati University, India in collaboration with Research Culture Society and Publication. The conference has been planned with the aim to bring together Scientists, Engineers, Technologists, Advocates, Lawyers and Social Scientists around the world into a single platform in India. The conference will attract and influence its audience through a program of paper presentations and poster presentation addressing the new frontiers in research as an interdisciplinary forum. The conference will feature presentations by well known personalities with key role in the areas of research relevant to the title of the conference. Efforts will be made to highlight the areas of new approaches need to be developed and reinforced. The full length paper will be published in the International Conference Proceeding with ISBN number. Some of the selected papers will be published in Peer-Reviewed or UGC and Indexed International Journals.

Abstract Submission Guideline:

Abstracts must include sufficient information for reviewers to judge the nature and significance of the topic. The word limit for the submission of Abstract is 250 words, formatted in Microsoft Word, and single-spaced, using size 12 Times New Roman font. The major points of research will be submitted along with the abstract as Key Words (3 to 5 words). Abstract should be submitted by e-mail.
